

# Repair Authorization

If your vehicle was towed directly to our facility or was dropped off outside of our normal business hours, we will need your written authorization to start repairs, order parts, and handle your insurance claim. Please also read and acknowledge our payment policy to avoid any unnecessary delays when your vehicle repairs are completed.

I X \_\_\_\_\_ declare that I am the registered owner/insured of said vehicle and grant Collision Paint & Repair (CPR) permission to handle my insurance claim, order parts, repair my vehicle, and operate my vehicle during a test drive or any sublets as necessary. I have removed my valuables so that the shop will not be responsible. I will not hold said shop responsible for damage to vehicle or articles left in vehicle in case of fire, theft, accident, or any other cause beyond shop's control. I understand that payment is required in full before the vehicle can be released. I authorize shop to act as power of attorney to sign insurance checks to pay for damages to my vehicle. I have read the shop's payment policy on this site. An express mechanic lien is hereby acknowledged to secure the amount of the repairs thereto.
